

August, 2021

Dear Friend and Sponsor,

It is that time of year again when St. Vincent de Paul Society in Sterling-Rock Falls reaches out to those who have generously supported us throughout the past several years. It is evident that the Coronavirus is still a part of our lives, as our nation moves forward on the vaccination process in its efforts to keep us all safe and well. As much as we would like to physically interact with one another and return to our normal way of doing things, St. Vincent de Paul Society has decided to hold its Neighbors Helping Neighbors Walk/Run Fundraiser as a virtual event this year. Our Neighbors Helping Neighbors theme in 2021 is **Circle of GIVING**.

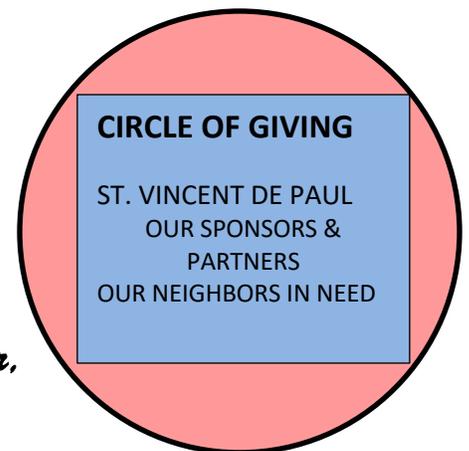

We thank you for your generosity in the past, which has made it possible for us to help many families, mainly in our communities in Sterling-Rock Falls as well as all of Whiteside County. We are again reaching out to you in 2021 asking for your support. Your commitment to help those less fortunate in our community and surrounding area has made it possible for us to reach out to numerous families through our Food Pantry and Financial Aid Programs. These families struggle with food insecurity and attempting to pay their utility and rent bills, especially during these continuously challenging times of the pandemic.

We ask you to please review the enclosed St. Vincent de Paul Society Brochure which provides information about our organization and the services we offer to those in need in our community and all of Whiteside County. Won't you please consider a generous donation this year and join our **Neighbors Helping Neighbors Circle of GIVING**, making it possible for us to continue our mission work of helping our community neighbors in their time of need?

Thank you again for your continued support and God Bless You for your generosity!
